

May 21, 2016

North Fort Worth Alliance had a small attendance for their May 2016 meeting.

7 in attendance, 2 guests and 3 officers.

President Betts introduced the guest speakers from Cook Children's Hospital. Nancy Cychol and Ashley Wilford. Cook Children's is coming to the Alliance area at 10601 N Riverside Drive Fort Worth TX 76244. Situated on 8 acres of land and approximately 34,000 square feet of gross area space.

They bought the land from Texas Health Resources and will be working with them closely. This partnership will also include sharing the helipad at THR.

Beginning September 2016 Cook Children's will offer pediatric and adolescent urgent care and specialty services. Open Daily, hours will be 11am to 10pm daily, 7 days a week urgent care with appointment check in online.

Cook Children's Alliance will include:

Service and specialties with psychology, psychiatry, ENT(ear, nose, throat), cardiology, endocrinology, gastroenterology, neurology, pediatric surgery & orthopedics.

Lab specimen collection will include pediatric trained lab staff, open to public, specimen sent to appropriate location, open 5 days a week.

Urgent care area is the building section going north to south facing N Riverside. Specialty clinic is facing north towards THR/Golden Triangle. Location will be similar to the Southlake and NRH locations per Nancy Cychol.

After the video presentation, guests answered questions from those in attendance. For job openings, see the Cook Children's website.

President Betts thanked everyone who came out and the meeting was adjourned.
