Summer is almost here!

Are you ready to wade into the pool of virtual neighborhood meetings?

The Community Engagement Office is here to help navigate you through the world of virtual meetings! We know every organization's needs are different. Our team is here to help you conduct online meetings in a variety of ways:

100% Virtual Meeting Assistance

Short on time or uncomfortable with new technology? We will help plan your next meeting, send out the invites and manage the meeting behind the scenes for you - *all you have to do is login with your phone, tablet, laptop or computer and lead the meeting!*

Virtual Meeting Training

Ready to learn something new? We will show you how to begin using FREE online tools to hold your next board or association meeting using a phone, tablet, laptop or computer.

Virtual Meeting Attendance

If you're already an expert in managing virtual meetings, remember to invite us to join your next meeting so we can share important city updates and resources with your members.
