

Help us draw the map for the 2022 Redistricting in Fort Worth

The city will be holding a series of training sessions for residents to learn how to draw maps that will add two new council districts.

All training will take place 6-8 p.m.

The city will be holding two types of training:

- **Basic** - this training is for anyone who would like to learn how to use the redistricting software, or has started to use it and needs some extra help.
- **Advanced and Collaboration** - this training is for anyone who is ready for advanced training. Residents are also welcome to come to these sessions to provide input on proposed maps, even if they do not want to learn to draw a map themselves.

In order to make sure we have enough staff at each session, **registration is required**. Use the link by each session to register. Registration will close at noon the day of each training session.

Date	Location	Address	Type	Registration Link
Monday, October 11, 2021	Hazel Harvey Peace	818 Missouri Ave. 76104	A&C	https://www.eventbrite.com/e/181254034697
